

A baseball is pitched toward you more than 100 times every game you work as umpire. There are no do-overs. It's your job to call every single one correctly. While it's true that no one is perfect, it is a fact that we can all get better and strive for perfection. **Baseball Balls & Strikes** is an examination of everything involved with making correct, consistent calls at the plate. It is the first book of its kind. This type of breakdown and level of analysis have never been done before. A high level umpire who reviewed the book called it **ABSOLUTELY OUTSTANDING**. In addition to the groundbreaking content, you'll also get more than 30 minutes of video to take your understanding to the next level. This book and video should be in every umpire's library.
