

Esta obra no puede ser mas que una apretada sintesis de una historia larga y compleja del territorio y la sociedad que hoy conocemos como Chiapas. Con base en lo mejor de la historiografia de cada periodo, propone una sintesis a la vez que hila un argumento historico que, en conjunto, describe Chiapas. Esta historia tiene como proposito destacar lo que es propio a Chiapas y a sus habitantes y, por otro lado, insertar su historia dentro de la historia del pais del que forma parte. La historia de Chiapas es parte de la historia de Mexico, pero tambien es una historia propia.
