

The purpose of this book is to provide the reader with a very specific plan to build a stock portfolio that will generate income, give wealth and security, that will last a lifetime. The author has accomplished this plan for himself and his family. His goal is to share the plan with others who can appreciate the great opportunity we have to share in the wealth of Americas corporations. The power and opportunity are right there in front of us, via the stock market. This book will show you how to Create a Money Machine, that will change your life.
