

The modern day classroom calls for exceptional teachers who set high standards for themselves as well as for their students. Decisive in his teaching philosophy, passionate about equipping students for high levels of success and future aspirations, Mr. Glenn offers a volume of effective insights and techniques gained from years of academic experience and remarkable teaching achievements. Criteria for Exceptional Classroom Teachers are an indispensable treasure for teachers who desire to win in their classroom by creating a learning environment in which students desire to excel. Whether you are a veteran teacher or a new educator fresh out of college, you will receive a wealth of significant knowledge regarding the essential standards needed to create a dynamic and participatory classroom atmosphere. All exceptional teachers have two ultimate aims in mind when it comes to teaching: guiding students to high levels of achievement and closing the achievement gap. All winning teachers accept the complete responsibility for getting their classroom functioning at an optimal, academic level. Many new educators may be a little intimidated when it comes to commanding a classroom, but all exceptional teachers understand that with the right knowledge and skills, the battle is already won. Criteria for Exceptional Classroom Teachers are designed to put the young teacher way ahead in the game of educating the next generation.
