

Grades K-8. Provides a research-based, practical approach for empowering student bystanders. The book offers a wide range of realistic, safe, and effective options that bystanders can use when responding to bullying. Bystanders are encouraged to tell an adult and provide support for students who are bullied. The book also stresses the important role of school staff in responding to bystander reports and consistently following an established anti-bullying policy. The book presents specific techniques for teaching empathy and social problem solving skills, limiting the social rewards of bullying behavior, and building a partnership between students and staff to change school wide attitudes toward bullying.
