

For the preaching of the cross is to them that perish foolishness, but unto us which are saved, it is the power of God. - 1 Cor. 1:18

Fast-paced apologetic book tackles seven biblical arguments

World religions, Bible accuracy, evolution, and the Resurrection are among the issues examined in this well-researched book

The Bible is compared to science and history and shown to be accurate

Presents a clear and thorough investigation of the facts

With a non-threatening cover, it makes a great gift for the non-Christian.

Foolish Faith combines a comprehensive scientific accuracy with a good understanding of biblical and philosophical issues, while remaining clear and comprehensible to the reader. Etinger looks at the foundations of Hinduism, Buddhism, Islam, Judaism, and Christianity, searching for credibility among the world's religions. He then cites evidence against evolution and for the biblical teaching of creation. Next, he asks if the Bible supports science, and "Are there contradictions within the Bible?"

One by one, Etinger presents evidence in support of the biblical side of the argument as he moves toward the inevitable conclusion of the book. Ending with a rousing chapter on the authenticity of the Resurrection, Etinger will challenge your world view and lead you to rediscover the truth about God's Word.

Most scientists prefer to stay out of any. Now more than ever crazy faith is necessary to navigate the day to day life you are living. Just what is crazy faith and how does it differ from foolish faith?. A 'Foolish' Faith "January 22, It is only by a series of well timed, perfectly contained explosions that we get from here to there.

J. Oh that we all had such foolish faith, such crazy faith (1Cor ) "such marvellous faith! Faith in the God who really CAN do the impossible!. If it could be shown to you through solid and persuasive evidence that God created the universe and everything in it, would you believe it? This powerful book. If all eternity hangs in the balance, why faith? Let's be real here. Faith doesn't seem like the most efficient way to get a human race on board. Foolish faith. The Freeman - - REGION -. He had a history of rebellion. He had been branded as insensitive, hardheaded, even disrespectful. So, why do we believe THIS FOOLISH FAITH of ours. Many think the Gospel is foolishness and think we are fools for believing it. The Apostle Paul experienced .
