

The thing about adventures is you almost never see them coming. They fall out of the sky; they roll off your dinner plate; they lift you by the end of a piece of string. This is an adventure about a boy called Frizzly Moodlewatz. It is the kind of epic adventure that people who are aged 7-12 years really enjoy (parents, aunties, uncles and grand parents love it too). The adventure takes Frizzly to mythical places in Aotearoa, New Zealand (Middle Earth). Along the way we encounter mermaids, Maori gods, giant racing snails, goblins, trolls, middle earth folk and even a dragon! Masterfully written and illustrated by Tanisha Jowsey; this adventure promises fun and imagination.
