

In Good-bye, Bumps!, Saje Dyer, daughter of best-selling author Dr. Wayne W. Dyer, tells a remarkable story from her childhood in which she was able to overcome a physical condition in a very unique way. In the telling of her story she teaches children the important lesson that when something is bothering them, they can change their attitude toward it and not allow it to have power over them. This story will help kids understand that some things about themselves can be changed and others will always be with them, but what matters is how they choose to think about these things. In addition to its valuable lesson, this charming story will remind all readers, both young and old, of what can be done with the childlike belief in what is possible.

Regardsfully Yours: Ferdinand Von Mueller, 1825-1896, A History Of Classical Greek Literature V1: The Poets (1880), The French Verb Chart: Workbook I, Essays in Epistemology and Semantics, Terror de 6b: B, El (Spanish Edition),
