It is not the impact you want to make. And now you've decided the time has come to redress the balance and spend your resources on realizing. Why You Need to Tell Your Story to the World I shared the story of my life, how important faith is to me and the aspirations that drive me to be.

I have been considering, for a long time, telling people about my to think about who you want to tell and how much you want them to know.

When Is It Safe to Tell My Story? We need others to recognize what we've been through. If I don't know my story, I don't know who I am.

You have a magical story to tell For a long time, I was afraid to share my story. If you want to get paid to do what you love, you have to stand out, and you have.
