

The book you are about to read is a book about my personal life experiences and how they relate to business, more specifically the plumbing industry. My goal in writing this book is that I hope the reader can take away just one thing from my stories and apply what they have learned to their life and/or business. You DO NOT have to be a plumber to read this book! I share with you a lot of my experiences as a father and as a plumbing professional. I hope you enjoy this book as much as I enjoyed writing it!
