

Grow personally and achieve your goals with the right "strategy"™ My question to you: Can potatoes grow on a nut tree - or radishes on an apple tree? A farmer must decide whether he wants to harvest potatoes or apples first. Exactly like the decision we must make with what we want to reap in our lives. Not every seed will germinate and sometimes an entire harvest will be destroyed. But, the law of sowing and reaping also applies to our lives: Only that which we sow ourselves can we reap. We all have goals " some are small and some are big. But one question always stays the same, "How can I reach my goal as quickly as possible?" This little guide based on my personal experience. So far my life has resembled a roller coaster ride, involving everything from health problems to massive anxiety and panic attacks. Nevertheless, I never gave up and fought against all odds to achieve my personal goals. People often ask me how I solved one or more problems or how I conquered my panic attacks and that was the reason I wrote this book. Let us take a little adventurous trip through our own EGO. You learn a lot about the most important personality characteristics, the four pillars of life, the valley of thoughts, as well as the deep abyss of the subconscious mind. Furthermore, you will receive valuable tips and ways to achieve these goals, as well as simple but very effective mental exercises for relaxation and solution solving.

Why Teams Underperform Winner, Encyclopedia of Psychology of Decision Making, Careers in the United States Air Force, Essential Research Methods for Social Work 2nd (second) edition, Parafernalia e Independencia (Spanish Edition),
