

La vida de Lazarillo de Tormes y de sus fortunas y adversidades (mas conocida como Lazarillo de Tormes) es una novela espanola anonima, escrita en primera persona y en estilo epistolar (como una sola y larga carta), cuyas ediciones conocidas mas antiguas datan de 1554. En ella se cuenta de forma autobiografica la vida de un nino, Lazaro de Tormes, en el siglo XVI, desde su nacimiento y misera infancia hasta su matrimonio, ya en la edad adulta. Es considerada precursora de la novela picaresca por elementos como el realismo, la narracion en primera persona, la estructura itinerante, el servicio a varios amos y la ideologia moralizante y pesimista.
