

Porn unexpectedly turns up in Hong Kong, and is coy about the real reason for her visit. With time to kill for a day or so, she catches up with Chris and they sit and recount and regale each other with seven brand new stories about people they've known down the years; people of a certain persuasion, people who don't quite fit into any particular sexual compartment. Ladyboys, Ladygirls, cross dressers, transvestites, bi-men, bi-girls and so on just some of the eclectic inhabitants of Transgenderland. Porn Stars as she so aptly calls them. Plus, of course, there are some of those people who fall into the category of Admirers people who often shower TG people with gifts in anticipation of being able to get close to them, to be their lovers, their suitors, maybe even their long term companions, whatever goes! Porn and Chris between them certainly have enough stories to fill several books and this set of stories all come with a ring of truth and reality, not to mention containing more than few surprises. Needless to say, Chris again finds himself amazed, maybe at times perplexed, at the depth of Porn's knowledge about her Stars, their exploits and sex experiences but, there again, given Porn's own adventurous history with TG matters, maybe this should have been expected. Seven brand new stories all faithfully related by Porn and Chris, brought together in one new book: Porn Stars II the fifth books in the best selling series of stories from Transgenderland by Chris Burrows. Oh, does Chris find out the real reason Porn is in Hong Kong this time? Well, you'll have to read to the end and find out!
