

La maltraitance infantile reste un fléau trop commun. Inconscience, laissez-faire, non assistance, complicité! Le témoignage d'un enfant en proie à ses parents mafieux éclaire plus avant sur le vécu et les conséquences dont vous ressortirez avec un autre regard sur le monde. Survivre à une expérience aussi diabolique requiert tout l'instinct de survie et l'aide que l'on peut trouver même si cette aide reste loin de la portée de la plupart des enfants maltraités et battus. Une réflexion sur le monde et le mode de la famille. Un ode à la bonne éducation.
