

Me and My Shadow is a story of two donkeys who overcome their fear and insecurities. They achieve that goal by facing their fear, changing their diet, and moving around more. We may all need to face that challenge at some time in our lives. By working on their issues together, they accomplished their goals in no time. Having a buddy who believes in us, always makes the journey easier. The animals in this story share the same issues that plague all humankind. When they correct their own behavior to make a healthy change in their lives, it helps us all believe we can do it, too. Fear is an enemy that finds no home where love lives and laughter plays.
