

This book offers challenging material for the intermediate to advanced drummer. Addressing a multitude of styles, Frank Briggs helps guide your playing to a higher plane while improving your technique and raising your awareness of cutting edge concepts such as metric modulation, displaced beats, polyrhythms, and more. Frank Briggs states, He believes the more you know about different styles and the inner workings of time and phrasing, the better your ability to contribute to the music at hand. The clearer you see the parallels or the common threads that tie these concepts together, the more freedom you will have to express yourself.
