

Do you have a clearly defined sense of purpose? Are you aware of the factors that would make your vocational life inspiring and fulfilling as well as financially rewarding? Are you ready to experience change that will benefit your own life and inevitably benefit others? Do you ever wonder what prevents you from experiencing the state of health, wealth and quality of relationship that you would love to enjoy? If you have clear answers to all of the above, it is likely that you are already living that inspired life. If not, and you are one of the many people searching for the keys that unlock the inspired and energised state that is crucial to building the life that you truly deserve, then this book was written with you in mind. Written in an easy and conversational style, PROJECT LIFE sets out to give the reader a clearer understanding of the true power that individuals have to influence the direction and quality of their lives. It will provide you with the tools to have a greater awareness of yourself, your beliefs and emotions, and will guide you through exercises designed to elicit your inspired sense of purpose. You will also discover your unique scalable success formula which will make each day rewarding and productive as you progress towards living a liberated, meaningful and inspired life. There is a career, a vocation path or a business idea that will allow you to express your true potential and reward you with the lifestyle that is consistent with your personal definition of success, while simultaneously making the world a better place for those that you would most like to empower. Human beings are not here to play small. If you are ready to turn the game on its head and claim the quality of life that is rightfully yours, then I invite you to take charge and start your PROJECT LIFE today.
