When the conversation shifts to the power of positive thinking, setting intentions, Think and Grow Rich, the Law of Attraction, fake it until you make it one crucial point often gets lost. To change the world with your thoughts, you must think with coherent intention. My Head Hurts While the subject of "Personal Reality" might seem somewhat esoteric, philosophical and even confusing to some, it's something that's not only . The human mind is a very powerful thing - it is capable of attracting and creating infinite possibilities of reality. Unfortunately, for many of us, our minds are unruly. Yes that's absolutely right, the first step to changing your reality is to tune yourself to the frequency of possibilities by believing that a change is possible.

At a networking do yesterday, I proved to the person sitting next to me that her unconscious mind can't tell the difference between an experience that's real and . Also, our personal reality can change by how we choose to deal with what If you lie around thinking about changing reality"using just your mind"for long.
