

REMEMBERING NGUYEN is about my first trip to South Vietnam in the early 1960s. And just in case you were not aware, Nguyen is pronounced as When in Vietnamese. I personally feel that this is a damned clever play on words. The book is a chronicle of events through out that 13 months tour of duty but it is different than most other books about the Vietnam experience. REMEMBERING NGUYEN looks at the country, the people and the strife through a more humorous eye, or so I fervently hope. So, If you are looking for a breathtaking story of heroism and hair raising adventures, then I fear you should look elsewhere. But if you would like to know what a rather naive boy found that forced him into man hood and perhaps have a good laugh or two, then REMEMBERING NGUYEN is the book for you. Thanks and enjoy.
