

Excerpt from Root Genealogical Records: 1600-1870; Comprising the General History of the Root and Roots Families in America Excepting in the preparation of a few family trees, but very little effort to gather genealogical information has apparently been given hitherto by any member of the large family bearing the name of Root. As there have been so few attempts to treasure up in a permanent form the important materials which have existed for a connected and general history of the family, the compiler of the present work has labored under the serious disadvantage which would be experienced by any one commencing in our time the work of collecting family records, and the memorials of the noteworthy individuals who have honored the name. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
