

Before Tony Montana came to America, he cut his teeth as a young military assassin in Cuba, and rose up as a hustler in Havana. He knows the world is his, and he craves the American dream. But first, he's gotta get out from Castro-imposed solitary confinement. Add to this Molotov cocktail mix the CIA, La Cosa Nostra, and the scumbag who gave Montana his infamous scar. Make a deal with the devil... just know which devil you're dealing with first.
