

To promote continuity the set has the same two characters throughout. The two characters, Kierie and Kriekie, a pink frog and a brown cricket do not form part of any racial or economic group in South Africa and can thus be appreciated universally. Kierie & Kriekie recognize familiar shapes which teaches 5-6 year olds readers about the different shapes around us. There is also a teachers manual available (not included). Worldreader proudly presents this ebook in a new series of childrens and young adult books from Sub-Saharan Africa. Worldreader is a non-profit organization committed to delivering digital books to children and families in the developing world using e-book technology. By purchasing this book you directly contribute to this effort by helping fund school literacy programs, and promote the writing and publication of great books from local authors everywhere.
