

Stories. Every one of us has them. ^ Stories of joy. Stories of sadness. ^ Stories of pain. ^ Stories of strength. ^ Stories of wanting to quit. Stories of refusing to give up. ^ Storiez is a process that helps you work with your therapist to talk about your life experiences. Using this^ book as a tool, your therapist will help you talk about your thoughts and feelings during positive and negative life events. ^ Telling your story will help you organize the things (good and bad) that you have been through.^ It will help you share your story, think about your story, and figure out how you can shape your story for the future.
