

For inexplicable reasons, some people can't hold down a steady job or marriage. Other family members must die prematurely within a certain age bracket. Some suffer repeated pattern of delays, major disasters after every blessing, loss of every first born, divorce, and general stagnation. Other families post records of certain "family" ailments, etc. Generations of a famous India family are victims of political assassination. Another famous American family is victims of tragic death. Many good Christians struggle with certain compulsive sins. Some families simply can't attain certain material, spiritual, academic, matrimonial or political glory. In a lot of cases, these trends can be traced back up the ancestral line. Maybe hundreds of years earlier, their ancestors had sold out to Satan either through sin or evil covenants. These are ancestral and hereditary limitations. You further the enemy's cause by believing that just because you are born again, the adversary will drop dead. Father Abraham was already "born again" when he lied about his wife Sarah. Isaac who wasn't born at the time later lied about his wife Rebecca. Abraham's grandson Jacob lied in the matter of the blessing. Abraham's 10 grandsons from Jacob lied about the welfare of Joseph. Gen37:3, Joseph was Israel's favorite and a proven astute administrator yet God didn't allow Jacob make him a progenitor of the Messiah because his mother Rachel was an idolatress, thief and liar. This book traces the Biblical fact of ancestral and hereditary limitations and offers Biblical recipe for terminating them. It's a new day!
