

Recommended in the Brandon/Hill selected list of print books and journals for the small medical library - April 2003 The 5-Minute Patient Advisor offers busy clinicians much-needed assistance in counseling patients about their illnesses and treatments. The book contains concise, complete patient information sheets about medical/surgical conditions, based on the expert advice in Griffiths 5-Minute Clinical Consult, 2001 and written in easily understandable laypersons terms. These information sheets can be photocopied and used as handouts to answer most of the questions that patients are likely to have and to increase the patients and familys understanding of the diagnosis. Diseases and problems are presented in the famous 5-Minute format. The 5-Minute Patient Advisor and Griffiths 5-Minute Clinical Consult, 2001 can be purchased together as a low-priced package and both books are also available electronically on Griffiths 5-Minute Clinical Consult, 2001 CD-ROM
