

Frustrated when obvious guilty parties seen in high profile civil and/or criminal cases get off the crime? Tired of seeing how our judicial system allows this to happen time and time again? Enjoy this biography of how a tragic event strikes a small family and the high powered industries, insurance companies, etc. known in this legal battle as the Goliaths try to victimize this family who just sought justice; seeing how its leader, David, didn't just rely on the legal system in our country to find the Achilles Heel of the deep pocketed giants determined not to set a legal precedent at the sacrifice of this family of six. Heart wrenching to read, yet powerful tools for those wondering how to fight when all odds are against you when the powerful giants know every angle to manipulate the so called American Judicial System. Over and over watch David use unconventional tactics outside of the legal process to bring the odds back into the tiny family's favor. A must read for all in our country tired of watching criminals walk and victims abused in the so called legal system so titled, The American Injustice System Utilizing media, high powered political figures and passing law are some of the incredible feats used by David to battle Goliath.
