

Does the cell church strategy work in North America? We hear about exciting cell churches in Colombia and Korea, but where are the dynamic North American cell churches? This book not only declares that the cell church concept does work in North America but dedicates an entire chapter to examining North American churches that are successfully using the cell strategy to grow in quality and quantity. This book provides the latest statistical research about the North American church and explains why the cell church approach restores health and growth to the church today. More than anything else, this book will provide practical solutions for pastors and lay leaders to use in implementing cell-based ministry. Review By Joel's clearly identifying the obstacles and solutions, the reader is compelled to consider becoming a cell/celebration church. -- Dr. Kevin Mannoia, Graduate Chaplain, Azusa Pacific University Comiskey provides practical answers to the tough questions asked by people with a passion for growing communities in North America. -- Dr. Peter N. Nanfelt, President, The Christian and Missionary Alliance Dr. Comiskey is the most persuasive chronicler of the cell church movement. His new book is ground-breaking and challenging. -- Richard Peace, Ph.D., Professor of Evangelism and Spiritual Formation, Fuller Theological I've read everything Comiskey has written! The reason is that he's so practical! Cell Church Solutions won't disappoint you. -- Jay Firebaugh, Senior Pastor of Clearpoint, Houston, Texas Joel Comiskey throws a lifeline to church leaders who are struggling to measure up to the super star pastor status. -- Damian Williams, Church Planter, Cross Current Ministries, Washington DC --This text refers to an alternate Paperback edition.
