

This book traces the origins of the insurgency in Indian-controlled Jammu and Kashmir. The first theoretically-grounded account, and the most complete, it is based on extensive interviews. Ganguly's central argument is that the insurgency can be explained by political mobilization and institutional decay. In an attempt to woo the Muslims, the government dramatically expanded literacy, mass media, and higher education. Meanwhile, fearing potential secessionist proclivities, it stifled the development of political institutions. Unable to express dissent in an institutional context, the Kashmiris resorted to violence.

The Life and Death of William Mountfort, The Tin Soldier, Eco-Consiousness in the Works of Salman Rushdie, Formulas and tables for point-sampling in forestry inventory (Maine. Agricultural Experiment Station, Orono. Bulletin), Conceptual Modeling (Synthesis Lectures on Data Management), Adventures In Casino Security, Wild Life, Locked Away (Living With Lies Book 2),
