

The Essential Guide To First Time Backpacking is written by a solo backpacker who's been to more than 20 countries, on a budget and made it home in one piece. This punchy little book is jam packed with useful information to make sure you're one step ahead of the game and prepared for the adventure ahead of you no matter how old you are. If you don't know; Where to go Who to go with How much it will cost What to pack What to leave What you need to do before you get there How it all works when you get there And if you should go home at the end This book will tell you everything you need to know. This is the essential how to guide no matter where you are from or where you are going. Don't look any further, this is short, concise and to the point. You can read it in a few hours and get a good grasp on what's about to happen. One happy reader said; Who would have thought there are so many things to think about when backpacking. This is a great, comprehensive guide and really easy to read. I highly recommend getting it before you go on your trip because it will help with your planning and packing too. dephantastic Complete with detailed packing lists and great information on what and how to book before you go. This is a practical guide which will leave you feeling confident and excited. Bonus Chapter Over 30 " Think it's too late? Think again. Bonus Chapter - Parents " Yes they're going to be worried sick, this book tells them that you will be fine and how they can best support you. You can also come and join our Facebook group and ask any questions you have. So what are you waiting for? This is it, this is all you need to read before you get going. Thanks for shopping and if you find this book helpful, please leave us a review.
