

Love. War. Fear. Laughter. Which will win??Â Rah thinks shes an everyday American living in Italy, but shes so much more. Buried deep on the other side of her human conditioning is the memory of a force more powerful than she can imagine. With it, she can fulfill her Divine Mission: Show humanity how to ascend into its inborn super-power greatness. If she doesnt, Graion mind manipulations will run rampant with more fear and terror until all humanity is under their control. Including Rah. Its all up to Rah and Zhamhra. And shes got total amnesia of who she is andÂ why shes come. ?Not even the All-Knowing can predict the outcomes when Rahs jewelry box disappears, and then reappears against all logical explanation. Her search for answers sets off a chain reaction of far-reaching consequences throughout the Universe.
