Known for vintage 1940s style glamor photography, Malek is the first to combine classic female beauty with authentic World War II aircraft. A meticulous process has gone into every photograph to give it its unique vintage look. The companion to two recently released Wings of Angels books, this 12-month calendar is unique and original. There are sections at the back of the calendar for emergency contact information and birthdays/anniversaries and a full-page 3-year at-a-glance.
